**Please briefly summarise the key reason(s) for your support / opposition**

We support the requirement for correcting the effective dates on the CSEP NExA Tables within the Ancillary document.

We recognise the current dates do not accurately reflect the time the tables have been implemented, and as such parties could use the incorrect AQ for a property type, therefore potentially affecting the accuracy of billing.

## **Self-Governance Statement**

**Do you agree with the Modification Panel's determination with respect to whether or not this should be a self-governance modification?**

BU-UK agree this modification meets the criteria of fast track self-governance.

**Please state any new or additional issues that you believe should be considered**

## **Relevant Objectives**

**How would implementation of this modification impact the relevant objectives?**

We feel objective F) has been met and this modification promotes the efficiency in the implementation and administration of the code.

## **Impacts and Costs**

**What development and ongoing costs would you face if this modification was implemented?**

We do not envisage any significant costs or impacts of implementation. As this is a housekeeping change we anticipate there to be a minimal lead time.

## **Implementation**

**What lead time would you wish to see prior to this modification being implemented, and why?**

We have no issues with this modification being implemented as soon as reasonably practicable.

## **Legal Text**

**Are you satisfied that the legal text will deliver the intent of the modification?**

We believe the legal text is fit for purpose.

## **Further Comments**

### **Is there anything further you wish to be taken into account?**

There would be some value in hosting the archived version via the iGT UNC website to ensure there is a clear trail of the change.

**Responses should be submitted by email to [iGTUNC@gemserv.com](mailto:iGTUNC@gemserv.com)**
