

Consultation Response**IND002: Change to Supplier File Formats**

Responses invited by: 14th April 2015

Respondent Details

Name: Kristian Pilling

Organisation: SSE Energy Supply Limited

Support Implementation

Qualified Support

Neutral

Do Not Support

Please briefly summarise the key reason(s) for your support / opposition

We will benefit from this change as it aligns Indigo Pipelines file formats with other iGTs. Uniformity of processes across iGTs does in principle deliver efficiency benefits.

Self-Governance Statement

Do you agree with the Modification Panel's determination with respect to whether or not this should be a self-governance modification?

Yes

Please state any new or additional issues that you believe should be considered

N/A

Relevant Objectives

How would implementation of this modification impact the relevant objectives?

We believe this modification would positively impact Relevant Objective (f) as this modification improves the efficiency in which we can implement iGT UNC processes concerning the transfer of Change of Supplier files with Indigo Pipelines.

Impacts and Costs

What development and ongoing costs would you face if this modification was implemented?

Minimal development and ongoing costs.

Implementation

What lead time would you wish to see prior to this modification being implemented, and why?

The changes to our process will be minimal; therefore we are comfortable with a June 2015 implementation date and recognise the justification put forward for proposing this date.

Legal Text

Are you satisfied that the legal text will deliver the intent of the modification?

Yes

Further Comments

Is there anything further you wish to be taken into account?

No

Responses should be submitted by email to iGTUNC@gemserv.com
