

Self-Governance Statement

iGT070S: Removal of redundant Ancillary documents following the implementation of Single Service Provision

The iGTs are submitting this Self-Governance Statement to the Authority in accordance with the iGT UNC Modification Rules.

On 18 March 2015, the Modification Panel considered Modification iGT070 and determined by unanimous vote that the modification should be treated as a Self-Governance Modification.

As such, the modification:

- (i) is unlikely to have a material effect on:
 - (aa) existing or future gas consumers; and
 - (bb) competition in the shipping, transportation or supply of gas conveyed through pipes or any commercial activities connected with the shipping, transportation or supply of gas conveyed through pipes; and
 - (cc) the operation of one or more pipe-line system(s); and
 - (dd) matters relating to sustainable development, safety or security of supply, or the management of market or network emergencies; and
 - (ee) the uniform network code governance procedures or the network code modification procedures; and
- (ii) is unlikely to discriminate between different classes of parties to the uniform network code/relevant gas transporters, gas shippers or DN operators.

The Proposed Self-Governance Modification Proposal Determination Date is 20 May 2015.
