Facilitation of the relevant objectives

How this proposal will, if implemented, better facilitate the “code relevant objectives”, as defined in Condition 9 of the Gas Transporters Licence.

a. the efficient and economic operation of the pipe-line system to which this licence relates;

- N/A

b. so far as is consistent with sub-paragraph (a), the coordinated, efficient and economic operation of the pipe-line system of one or more other relevant gas transporters;

- N/A

c. so far as is consistent with sub-paragraphs (a) and (b), the efficient discharge of the licensee’s obligations under this licence;

- N/A

d. so far as is consistent with sub-paragraphs (a) to (c) the securing of effective competition between relevant shippers and between relevant suppliers;

- the inclusion of these files will ensure that the inspection notification process is managed in a uniform manner by iGT’s and will facilitate the management of shipper obligations in relation to the Must Inspect Process

e. so far as is consistent with sub-paragraphs (a) to (d), the provision of reasonable economic incentives for relevant suppliers to secure that the domestic customer supply security standards are satisfied as respects the availability of gas to their domestic customers;

- N/A

f. so far as is consistent with sub-paragraphs (a) to (e), the promotion of efficiency in the implementation and administration of the network code and/or the uniform network code referred to in paragraphs 2 and 5 respectively of this condition;

- N/A
