Please briefly summarise the key reason(s) for your support / opposition

We support the modification to establish UNC Modification 0819 - Establishing/Amending a Gas Vacant Site process within the IGT UNC, aligning the codes.

Authority Direction Statement

Do you agree with the Modification Panel's determination with respect to whether or not this should be an Authority Direction Modification?

We agree that the modification should be Authority Direction.

Please state any new or additional issues that you believe should be considered.

No further comments.

Relevant Objectives

How would implementation of this modification impact the relevant objectives?

The implementation of the modification would establish UNC Modification 0819 - Establishing/Amending a Gas Vacant Site process within the IGT UNC.

Impacts and Costs

What development and ongoing costs would you face if this modification was implemented?

We do not anticipate any significant costs.

Implementation

What lead time would you wish to see prior to this modification being implemented, and why?

The modification should be implemented as soon as reasonably possible and inline with UNC Modification 0819.

Legal Text

Are you satisfied that the legal text will deliver the intent of the modification?

We are satisfied that the legal text will deliver the intent of the solution.

Further Comments

Is there anything further you wish to be taken into account?

No further comments.

Responses should be submitted by email to IGTUNC@gemserv.com
