**Please briefly summarise the key reason(s) for your support / opposition**

We support the modification to remove 'fax' and 'facsimile' in the IGT UNC and the SOS Query Management ancillary document.

### **Self-Governance Statement**

**Do you agree with the Modification Panel's determination with respect to whether or not this should be a self-governance modification?**

We agree that this a self-governance modification.

### **Please state any new or additional issues that you believe should be considered**

N/A.

### **Relevant Objectives**

**How would implementation of this modification impact the relevant objectives?**

We agree that emails eliminate paper and plastic waste from printing. The environmental benefits gained from switching to email as a IGT UNC communication method aligns with the UK's 2050 Net Zero ambitions as well as our company Net Zero goals.

### **Impacts and Costs**

**What development and ongoing costs would you face if this modification was implemented?**

No significant costs identified.

### **Implementation**

**What lead time would you wish to see prior to this modification being implemented, and why?**

We do not require any lead time to implement the modification as their will be no system impacts.

### **Legal Text**

**Are you satisfied that the legal text will deliver the intent of the modification?**

Yes.

**Further Comments**

**Is there anything further you wish to be taken into account?**

No further comments.
